BOARD OF COMMISSIONERS

## ADDENDUM #1

Issue Date: 09/20/05

### SPECIFICATION NO. 05-240

FOR

## MSA FIREHAWK 4500 PSI AIR MASK & ULTRA ELITE FACE PIECE

Addenda (or addendum if singular) are written instruments issued by the County prior to the date for receipt of offers which will modify or interpret the specification document by addition, deletion, clarification or correction. Please acknowledge receipt of this addendum in the space provided on your bidding document ( . . . number 1 through 1 “).

Be advised of the following changes to the County's specification and bidding documents:

1. QUESTION: Are the additional 180 Ultra Elite face pieces for use with the Firehawk SCBA's or are they for a different purpose?

ANSWER: Yes, they should be the **same as the 120 that are included with the complete SCBA**. We have approximately 300 personnel and it is our intent to provide each of the firefighters with an individual face piece. Once we know who the successful provider is, we will provide the size information.

2. QUESTION: Do the face pieces need the 'Heads Up Display' (HUD) receiver? Also, there is a new PASS device, which is the ICM Tx rather than the ICM-2000 - which do you want?

ANSWER: We do want the Heads Up Display (**HUD**) Receiver **#10061542**. Also, replace the PASS device (originally ICM-2000) with the new **ICM Tx #10067167**.

3. QUESTION: Will the old SCBA's be offered as a trade-in?

ANSWER: **No**, the old SCBA's were purchased with City funds and the ones on this bid request are funded by a Federal Grant. We will dispose of the old masks via City's existing policies for surplus property.

DEB SCHORR \* LARRY HUDKINS \* RAY STEVENS \* BERNIE HEIER \* BOB WORKMAN

KERRY EAGAN, Chief Administrative Officer

(addendum #1 continued)

4. QUESTION: Where did the part #J-CMD12QO3C1420 come from?

ANSWER: This part number was compiled from a **Assemble-to-order** (ATO) form. We developed the number over a year ago, when the federal grant process began. It is our understanding that the part number is outdated due to annual part number changes at MSA. The updated/current part number is as follows:

**K-CMD12Q03C14ACO**

5. QUESTION: The Ultra-Elite Hycar face piece has options not mentioned in the bid. It comes with a Softfree Silicone face piece or a Softfeel Hycar Rubber. It also may be ordered with or without twin cartridge adapters.

ANSWER: These are not respirators. The Ultra-Elite Hycar face pieces requested for item #2 (180 each) are the **same as those specified with the SCBA's** (Item #1 on the bidding schedule).

#### **SEE REPLACEMENT PAGES FOR BID SCHEDULE AND SPECIFICATION SHEET**

All other terms, conditions and requirements of the request remain the same as originally indicated in the document or as modified on previous addenda.

Kathy A. Smith  
Assistant Purchasing Agent

# SEALED BID

## SPECIFICATION NO. 05-240 & ADDENDUM #1

BID OPENING TIME: 12:00 NOON  
DATE: Wednesday, Sept. 28, 2005

**ADDENDA RECEIPT:** The receipt of the addenda to the specification number 1 through 1 is hereby acknowledged. Failure of any bidder to receive any addenda or interpretation shall not relieve the bidder from obligations specified in the bid request. All addenda shall become part of the final contract document.

The undersigned submitter, having full knowledge of the requirements of Lancaster County for the listed equipment agrees to provide the materials, equipment and delivery in strict accordance with the specifications as prepared by the County for the consideration of the amount set forth in the following price schedule:

### MSA FIREHAWK 4500 PSI AIR MASK & ULTRA ELITE FACE PIECE
